<u>Readme File</u>

File	Description
4	Contains I(s) curves for the molecule number 4 in mesitylene. Measured at 30nA set point and -0.6V bias. These can be viewed individually in NotePad or with PicoScan software version 5.3.3. The header for each file contains parameters and creation date and time.
7	Contains I(s) curves for the molecule number 7 in mesitylene. Measured at 30nA set point and -0.6V bias. These can be viewed individually in NotePad or with PicoScan software version 5.3.3. The header for each file contains parameters and creation date and time.
17	Contains I(s) curves for the molecule number 17 in mesitylene. Measured at 30nA set point and -0.6V bias. These can be viewed individually in NotePad or with PicoScan software version 5.3.3. The header for each file contains parameters and creation date and time.
18	Contains I(s) curves for the molecule number 18 in mesitylene. Measured at 30nA set point and -0.6V bias. These can be viewed individually in NotePad or with PicoScan software version 5.3.3. The header for each file contains parameters and creation date and time.
