<u>Readme File</u>

File	Description
Dumbbell300mV	Contains I(s) curves for the molecule 3 in air. Measured with the Break junction technique at 300mV bias. This Origin project includes the raw data and the processed data.
Gold300mV	Contains I(s) curves for the gold in air. Measured with the Break junction technique at 300mV bias. This Origin project includes the raw data and the processed data.
Rotaxanegood	Contains I(s) curves for the 3*M1 in air. Measured with the Break junction technique at 300mV bias. This Origin project includes the raw data and the processed data.
